Ministry of Environment
Strengthening National Capacity on Climate Change

General Guide for the Submission of the Technical Proposal

[Date]

To:
Ministry of Environment
Climate Change Management Division
Singhadurbar, Kathmandu, Nepal

We, the undersigned, offer to provide Consultancy Services for the “**Preparation of the Climate Change Strategy and Framework for Climate Change Fund**” in accordance with published notice in *[Insert Name of the Daily National Newspaper]* dated *[Insert Date]*. We are hereby submitting our Proposal, which includes both the Technical Proposal, and a Financial Proposal sealed under separate envelopes. Both of the sealed technical and financial proposals should also be included in a sealed envelope.

We hereby submit our sealed Proposals (technical and financial) in association with: *[Insert a list with full name and address of each associated Consultant]*¹.

We hereby declare that all the information and statements made in this Proposal are true and accept that any misinterpretation contained in it may lead to our disqualification.

Our Proposal is binding upon us. We understand the Ministry of Environment is not bound to accept any Proposal received from us.

We remain,

Yours sincerely,

Authorized Signature: *[In full and initials]* _____

Name and Title of Signatory: _____

Name of Firm: *[With seal/stamp]* _____

Address: _____

¹ *[Delete in case no association is foreseen.]*

Section 1: Consultant's Organization and Specific Experience

A – Consultant's Organization

(2 points)

[Provide here a brief (not more than 2 pages) description of the background and organization of your firm/entity and each associate for this assignment.] Point is allocated for the assignment related description.

B – Consultant's Experience

(5 points)

[Using the format below, provide information on each assignment for which your firm, and each associate for this assignment, was legally contracted either individually as a corporate entity or as one of the major companies within an association, for carrying out consulting services similar to the ones requested under this assignment. Use not more than 5 pages.]

Name of Client:	Total No of staff-months of the assignment:
Address:	Approx. value of the services provided by your firm under the contract (in current US\$):
Start date (month/year): Completion date (month/year):	No of professional staff-months provided by associated Consultants:

Firm's Name: _____

Repeat the above table for each of the assignment directly related to this assignment.

Section 2: Description of Approach, Methodology and Work Plan for Performing the Assignment (Methodology of Performance and Responsiveness to the ToR)

[Technical approach, methodology and work plan are key components of the Technical Proposal. You are suggested to present your Technical Proposal (not more than 15 pages, inclusive of charts and diagrams) divided into the following three sections:

- a) *Technical Approach and Methodology,*
- b) *Work Plan, and*
- c) *Organization and Staffing,*

a) Technical Approach and Methodology. (30 points)

In this section, you should explain your understanding of the objectives of the assignment, approach to the services, methodology for carrying out the activities and obtaining the expected output. You should explain the methodologies you propose to adopt and highlight the compatibility of those methodologies with the proposed approach.

b) Work Plan. (10 points)

In this section, you should propose the main activities of the assignment, their content and duration, milestones, and delivery dates of the draft and final reports. The proposed work plan should be consistent with the technical approach and methodology, showing understanding of the TOR and ability to translate them into a feasible working plan. The work plan should be consistent with the Work Schedule of Firm mentioned below:

c) Organization and Staffing (8 points)

In this section, you should propose the structure and composition of your team. You should list the main disciplines of the assignment, the key expert responsible, and proposed technical and support staff. The key experts should be separated for Climate Change Strategy and Climate Change Fund. The organization and staffing should be consistent with the staffing schedule mentioned below:
